

**INTENSIVE COURSE
LAW FACULTY OF THE UNIVERSITY OF LISBON**

**CONSTITUCIONAL AND ADMINISTRATIVE LAW WITHOUT BORDERS
(SYLLABUS)**

Prof. Dr. Vasco Pereira da Silva

I- Constitutional Law Without Borders

- 1- The Triple Perspective of Constitutional Law Without Borders: Comparative, European, Global.
- 2- Comparative Law: a challenge for constitutionalism without borders.
- 3- European Law: Nature and troubles of the European Constitution.
- 4- Global Law: “Multilevel” constitutionalism (PERNICE) and “partial or incomplete” constitutions (HÄBERLE).
- 5- Constitutionalism without Constitution. Fundamental Rights both as an Internal or an External Concept Without Borders.

II- Administrative Law Without Borders

- 1- The Triple Dimension of Administrative Law Without Borders: Comparative Law, European Law, Global Law.
- 2- Comparative Law: from scientific instrument towards a new source of European and global law.
- 3- European Law: Administrative law and policy at the European level.
- 4- Global Law: Rules and Principles, Procedures and network Administration.
- 5- The multiple levels of Administrative Law Without Borders.

III- Legality Without Borders

- 1- A broader and more comprehensive notion of Legality.
- 2- Rules and Principles.

IV- Some Specific Topics (Optional)

- 1- COVID-19: A global virus requires global measures.
- 2- Environmental Protection as a Constitutional and Administrative Law Without Borders issue. Climate change: is there an Environmental “state of emergency”?
- 3- Culture: from Local to Global Law problem.
- 4- The “immediate” and “globalized” information society. Instant information and fake news. Risks and challenges for fundamental rights.
