

## Intensive course “Health, Law and Human Dignity in the European Union”

23.02.-27.02.2026

### COURSE RESPONSIBLE

Name	Academic degree	Academic position
Laura Kadile	PhD in Law	Assistant Professor of Health law, Riga Graduate School of Law

### COURSE ABSTRACT

The intensive course will focus on health law and legal regulation in the European Union. It will cover the overall regulatory framework of the European Union, definitions and historical development, main principles, as well as broad overview of the various aspects of health systems in Europe. Intersections of health law and fundamental human rights will be covered within the course. The course will also involve the right to health as a fundamental right, the rights of patients and health practitioners, and the protection of vulnerable patients. It will also delve into end-of-life decisions and health law in times of emergency. Future challenges of the EU health law will be highlighted during the final stage of the course.
