FACULDADE DE DIREITO
Universidade de Lisboa

7. Demonstration of the syllabus coherence with the curricular unit's objectives:

Debate in classroom and solving practical cases.

8. Teaching methodologies (including evaluation):

Classes are theoretical-practical, alternating the exposition of the subject with dialogue with students on practical aspects, analysis of the most relevant international legal instruments and international jurisprudence.

9. Evaluation:

Test

10: Demonstration of the coherence between the teaching methodologies and the learning outcomes:

Exposition of the subject provides students with the necessary bases for the development of their skills through practical exercises that enable a critical analysis of the concepts and international legal institutes of diplomatic and consular relations.
