✈️ If you are not receiving a response through regular channels, try reaching out via social media platforms like Twitter or Facebook. Many companies, including Lufthansa, have dedicated teams to handle customer complaints publicly. Posting your issue politely with details can sometimes lead to quicker responses.

✈️ To improve your chances of getting a response, make sure your communication is clear, polite, and to the point. Avoid writing long, confusing messages that may delay understanding of your issue. Instead, mention your booking reference, travel date, and specific problem.
