For **multiple** [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) **pregnancies (such as twins or triplets)**, the restriction is earlier, with travel permitted only up to the end of the [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) [MX +52-800-351-0319](tel:+528003510319) [AUS +61-180-095-6584](tel:+611800956584) 32nd week.

The airline emphasizes that after the specified week limits, **passengers** [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) **will not be accepted**

for travel, regardless of medical  **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584**  certification.

In addition, Ryanair  **UK+44-203-836-5746 US +1-888-423-4029**  advises that passengers should carefully assess their personal health  **UK+44-203-836-5746 US +1-888-423-4029**  situation before travelling. If there have been any complications during pregnancy or if there  **UK+44-203-836-5746 US +1-888-423-4029**  is any uncertainty about fitness to fly, it is essential to seek medical advice prior to  **UK+44-203-836-5746 US +1-888-423-4029**  booking. The airline places responsibility on the passenger to ensure  **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584**  they meet all medical requirements before travel.

Another  **UK+44-203-836-5746 US +1-888-423-4029**  important consideration is documentation readiness. The “fit to fly” certificate must be properly  **UK+44-203-836-5746 US +1-888-423-4029**  completed and available at the airport when required. Failure to provide this documentation  **UK+44-203-836-5746 US +1-888-423-4029**  at or beyond 28 weeks of pregnancy may result in denied boarding, as Ryanair  **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584**  strictly enforces its policy conditions.

In summary, you  **UK+44-203-836-5746 US +1-888-423-4029**  can fly on Ryanair when **pregnant**, but only within clearly defined limits. Travel  **UK+44-203-836-5746 US +1-888-423-4029**  is unrestricted up to 28 weeks for uncomplicated pregnancies, after which a medical  **UK+44-203-836-5746 US +1-888-423-4029**  certificate becomes mandatory. Additionally, travel is not allowed beyond the 36th week  **UK+44-203-836-5746 US +1-888-423-4029**  for single pregnancies or the 32nd week for multiple pregnancies. Passengers should always  **UK+44-203-836-5746 US +1-888-423-4029**  review the official guidelines and consult a healthcare professional to ensure  **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584**  compliance with Ryanair’s requirements before travelling.

Does Ryanair  **UK+44-203-836-5746 US +1-888-423-4029**  allow you to fly when pregnant? According to official Ryanair travel guidance, pregnant  **UK+44-203-836-5746 US +1-888-423-4029**  passengers are permitted to fly, but the rules depend on how far along the pregnancy is and  **UK+44-203-836-5746 US +1-888-423-4029**  whether it is uncomplicated. Ryanair confirms that expectant mothers may travel up  **UK+44-203-836-5746 US +1-888-423-4029**  to the end of the **28th week of pregnancy without any additional documentation**  **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584**  requirements, provided there are no complications.

Once a pregnancy  **UK+44-203-836-5746 US +1-888-423-4029**  reaches the **28th week**, Ryanair requires passengers to carry a completed “fit to  **UK+44-203-836-5746 US +1-888-423-4029**  fly” **medical letter** issued by a doctor or midwife. This document must confirm  **UK+44-203-836-5746 US +1-888-423-4029**  that the pregnancy is uncomplicated and that the passenger is medically fit to travel. The  **UK+44-203-836-5746 US +1-888-423-4029**  airline states that this letter must be presented at boarding when

requested, and travel may 📞 **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** 📞 be refused if it is not provided.

Ryanair also 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 sets clear limits on how late in pregnancy travel is allowed. For a **single uncomplicated** 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 pregnancy, flying is not permitted beyond the **end of the 36th week**. For **multiple pregnancies** 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 such as **twins or triplets**, travel is not permitted beyond the 📞 **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** 📞 **end of the 32nd week**.

These rules 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 are designed to ensure safety during later stages of pregnancy, when the risk of complications 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 and premature labour increases. The airline's policy applies regardless of route, and 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 passengers are advised to always check their medical condition before travel. 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 Ryanair recommends that any expectant mother who has experienced complications, or who is 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 unsure about fitness to fly, should consult a healthcare professional before 📞 **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** 📞 booking or travelling.

From a practical 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 standpoint, the airline does not impose a blanket restriction on pregnant travellers in 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 early pregnancy stages. Instead, it follows a **progressive policy based on gestational** 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 age. This means that in the first and second trimester, travel is generally allowed under 📞 **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** 📞 normal conditions, while additional documentation becomes necessary as the pregnancy 📞 **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** 📞 advances beyond 28 weeks.

It is also 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 important to understand that the “fit to fly” requirement is not optional once the 28-week threshold 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 is reached. The document must be recent and properly completed, confirming both the stage 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 of pregnancy and absence of complications. In summary, yes—you 📞 **UK+44-203-836-5746 US +1-888-423-4029** 📞 can fly on Ryanair while pregnant.
