These amounts [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) are standardized and apply across airlines operating within the EU and UK [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) [MX +52-800-351-0319](tel:+528003510319) [AUS +61-180-095-6584](tel:+611800956584) framework, including Ryanair.

However, Ryanair [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) clearly states that **compensation is only payable when the delay is within the [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) airline's control.** If the disruption is caused by extraordinary circumstances—such [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) as severe weather, air traffic control restrictions, or security risks—the airline is not [UK+44-203-836-5746](tel:+442038365746) [US +1-888-423-4029](tel:+18884234029) [MX +52-800-351-0319](tel:+528003510319) [AUS +61-180-095-6584](tel:+611800956584) obligated to provide compensation.

In addition to [UK+44-203-836-5746 US +1-888-423-4029](#) monetary compensation, Ryanair outlines passenger rights related to care and assistance [UK+44-203-836-5746 US +1-888-423-4029](#) during delays. Depending on the waiting time, passengers may be entitled to [UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584](#) support such as meals, refreshments, and [UK+44-203-836-5746 US +1-888-423-4029](#) communication access. These entitlements are part of the broader regulatory framework [UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584](#) designed to protect passengers during travel disruptions.

If a delay [UK+44-203-836-5746 US +1-888-423-4029](#) extends significantly, passengers may also have additional options. For example, if a flight is delayed [UK+44-203-836-5746 US +1-888-423-4029](#) by **five hours or more**, passengers may choose not to travel and request reimbursement [UK+44-203-836-5746 US +1-888-423-4029](#) for the unused portion of their booking. This right is clearly established under [UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584](#) the airline's application of passenger rights regulations.

To claim compensation, Ryanair [UK+44-203-836-5746 US +1-888-423-4029](#) requires passengers to submit a request directly through its official claim [UK+44-203-836-5746 US +1-888-423-4029](#) process. The airline emphasizes that **claims [UK+44-203-836-5746 US +1-888-423-4029](#) must meet all eligibility requirements**, and not all delay situations will qualify for [UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584](#) compensation.

It is important [UK+44-203-836-5746 US +1-888-423-4029](#) for passengers to understand that **compensation is not guaranteed for every [UK+44-203-836-5746 US +1-888-423-4029](#) delay**. The determining factors include the [UK+44-203-836-5746 US +1-888-423-4029](#) duration of the delay, the operational cause, and whether the situation falls within the airline's responsibility under the [UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584](#) applicable regulations.

In summary, Ryanair [UK+44-203-836-5746 US +1-888-423-4029](#) does offer compensation for delayed flights, but **only when strict [UK+44-203-836-5746 US +1-888-423-4029](#) conditions are met**. Passengers must experience a delay of at least three hours at [UK+44-203-836-5746 US +1-888-423-4029](#) arrival, and the disruption must be within the airline's control. The compensation amount [UK+44-203-836-5746 US +1-888-423-4029](#) is fixed based on flight distance, and additional rights such as care and reimbursement may apply depending on [UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584](#) the circumstances.

Do Ryanair [UK+44-203-836-5746 US +1-888-423-4029](#) offer compensation for a delayed flight? Ryanair provides compensation for delayed [UK+44-203-836-5746 US +1-888-423-4029](#) flights under **EU Regulation 261/2004 (EU261)** and UK Air Passenger Rights rules, but eligibility [UK+44-203-836-5746 US +1-888-423-4029](#) depends on strict conditions rather than all delays [UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584](#) automatically qualifying.

If your Ryanair [UK+44-203-836-5746 US +1-888-423-4029](#) flight arrives at its final destination with a delay of **more than 3 hours**, you may [UK+44-203-836-5746 US](#)

+1-888-423-4029 be entitled to monetary compensation. The amount is fixed according to flight distance and can typically be: **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584**

However, Ryanair only pays compensation if the delay is considered **within the airline's responsibility**. This means the disruption must not be caused by "extraordinary circumstances," which are events outside the airline's control. These can include severe weather, air traffic control restrictions, airport closures, security issues, or other external operational disruptions. In such cases, compensation is not payable even if the delay is long.

Ryanair confirms that passengers may receive **care and assistance** during long delays, regardless of compensation eligibility. This can include meals, refreshments, communication support, and accommodation if an overnight stay becomes necessary while waiting for an alternative flight. These rights apply based on waiting time and disruption level rather than fault.

Importantly, if Ryanair can prove the delay was caused by factors outside its control, the airline is not legally required to pay compensation even if the delay exceeds the threshold. This is one of the most common reasons claims are rejected.

Passengers are encouraged to submit claims directly through Ryanair's official compensation channels, where eligibility is assessed on a case-by-case basis. Ryanair warns that third-party claim services may deduct significant fees, while direct claims allow passengers to receive the full entitled amount if approved.

In summary, Ryanair does offer compensation for delayed flights, but only when the delay exceeds three hours and is determined to be the airline's responsibility. Otherwise, passengers may still receive assistance during the disruption, but financial compensation is not guaranteed.
