A key feature of 🌐 **UK+44-203-836-5746 US +1-888-423-4029** 🌐 the policy is the distinction between **minor name corrections** and **full name changes**. Virgin 🌐 **UK+44-203-836-5746 US +1-888-423-4029** 🌐 Atlantic allows limited corrections in cases where there are small errors such as spelling 🌐 **UK+44-203-836-5746 US +1-888-423-4029** 🌐 mistakes, reversed names, or minor typographical issues. These corrections are 🌐 **UK+44-203-836-5746 US +1-888-423-4029** 🌐 generally processed to ensure that the booking accurately reflects the passenger's identity 🌐 **UK+44-203-836-5746 US +1-888-423-4029** 🌐 without requiring the creation of a new reservation. In certain cases, supporting 🌐 **UK+44-203-836-5746 US +1-888-423-4029** 🌐 documentation may be requested, particularly where a legal name

update is involved, such as **UK+44-203-836-5746 US +1-888-423-4029** as a change due to marriage or other official **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** reasons.

However, the airline **UK+44-203-836-5746 US +1-888-423-4029** maintains a strict rule that tickets are **non-transferable**, meaning a full name change **UK+44-203-836-5746 US +1-888-423-4029** that results in a different passenger travelling in place of the original customer is not **UK+44-203-836-5746 US +1-888-423-4029** permitted. If a request involves replacing the traveller entirely or making significant **UK+44-203-836-5746 US +1-888-423-4029** amendments that go beyond correction parameters, the booking is typically treated as a cancellation and rebooking **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** under a new name.

Time sensitivity **UK+44-203-836-5746 US +1-888-423-4029** is also an important part of the policy. Name correction requests close to departure are **UK+44-203-836-5746 US +1-888-423-4029** not always guaranteed, and in many cases, changes requested within 48 hours of departure **UK+44-203-836-5746 US +1-888-423-4029** may be restricted depending on fare conditions and operational feasibility. As **UK+44-203-836-5746 US +1-888-423-4029** departure approaches, the possibility of making amendments decreases, and additional costs may apply depending on the fare **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** type and ticket conditions.

Virgin Atlantic **UK+44-203-836-5746 US +1-888-423-4029** also outlines that certain bookings may require reissue of tickets when corrections are **UK+44-203-836-5746 US +1-888-423-4029** approved. This ensures that the updated **UK+44-203-836-5746 US +1-888-423-4029** passenger details are properly reflected in the airline's system and aligned with security **UK+44-203-836-5746 US +1-888-423-4029** screening requirements. In some cases, administrative charges or fare **UK+44-203-836-5746 US +1-888-423-4029** differences may apply, particularly if the change results in a re-evaluation of the original **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** booking conditions.

To request a name **UK+44-203-836-5746 US +1-888-423-4029** correction, customers are required to contact Virgin Atlantic through official support **UK+44-203-836-5746 US +1-888-423-4029** channels or through the travel agent where the booking was made. The airline may ask for identity **UK+44-203-836-5746 US +1-888-423-4029** verification documents to validate the correction request. Only the original **UK+44-203-836-5746 US +1-888-423-4029** booking holder is authorised to request changes, reinforcing security and preventing unauthorised **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** modifications.

In summary, the Virgin **UK+44-203-836-5746 US +1-888-423-4029** Atlantic Name Change Policy focuses on maintaining accuracy in passenger **UK+44-203-836-5746 US +1-888-423-4029** identification while allowing limited corrections for genuine errors. It provides flexibility for **UK+44-203-836-5746 US +1-888-423-4029** small adjustments but enforces strict rules against transferring tickets or making **UK+44-203-836-5746 US +1-888-423-4029** complete passenger substitutions.
