5. Is it better to book multi-city flights through Skyscanner or directly+44-203-836-5747 ?

Skyscanner is +44-203-836-5747 great for comparing options quickly, but booking directly with airlines can be safer for changes, +44-203-836-5747 cancellations, and support if something goes wrong.

It is often 📞UK+44-203-836-5747 or US+1-888-423-4029 cheaper to book through third-party agents on Skyscanner, particularly for budget carriers or long-haul flights, as they may offer discounted 📞UK+44-203-836-5747 or US+1-888-423-4029 rates.
